Triple Play Savings Promotion XT3815, MT4008 and Amador \$50 Savings

Hassle Free Cash Back

Promotional period effective November 2, 2015 – December 31, 2015

Terms and Conditions

- Claim forms are not required. All claims are processed based on monthly distributor reporting to Posiflex for XT3815, MT4008 and Amador reseller purchases.
- Payment will be issued and mailed to the named reseller on the distributor report.
- Purchase date must be between November 2, 2015 and December 31, 2015
 - o Reseller must take immediate possession of product
 - o Delayed or future ship dates do not qualify
- This promotion is valid for U.S. and Canada sales only.
- Purchase must be made from a Posiflex Authorized Distributor
 - o Blue Star
 - o Metropolitan Sales
 - o Ready, Inc
 - o ScanSource
- This is not an instant rebate promotion. The Reseller will **not** receive a discount directly from the distributor.
- All qualifying purchases will be processed, and reimbursement made within a maximum of 80-days from date of purchase.

Reimbursement to be made via Posiflex company check in U.S. funds.

- Promotional items cannot be combined with any other offer, demo, evaluation, discount, SPA and/or promotion pricing.
- Customer's account must be in good standing with Posiflex in order to qualify.

Rebate Eligible Products

- All configurations of the **XT3815** terminal model purchased and invoiced during the promotional period qualify for a \$50 per terminal reimbursement check. Not included in the promo are peripherals including printers, cash drawers, secondary displays, or other options.
- All configurations of the **MT4008 tablet** purchased and invoiced during the promotional period qualify for a \$50 per terminal reimbursement check. Not included in the promo are pistol grips, printer docking stations or other MT4008 options.
- All **Amador** terminal purchases invoiced during the promotional period qualify for a \$50 per terminal reimbursement check. Not included in the promo are peripherals including printers, cash drawers, secondary displays, or other options.
