## Power and Performance

The XT8315 is part of the XT Series, built with a practical and durable design. The XT8315 is carefully thought out to make itself one of the most visually desirable terminals in the market.

And, with a patented foldable base, users can adjust the screen to a height and angle of their choice, providing unparalleled flexibility.

With its fanless design, the XT8315 requires less maintenance and can run silently, which is ideally suited for high-end boutique stores or hospital environments.
