Re: Product End-Of-Life Notice: KV2000

Dear POSIFLEX Customer:

Posiflex announces End-Of-Life for our Kitchen Video System model KV2000 (all configurations).

New orders for this model will not be accepted as of this date.

Customers with active warranty or service contracts will continue to receive service from Posiflex. Support and part replacement will be available until August 31, 2014.

Replacement models:

[TX3000 – Standard configurations are readily available to ship](#)

This product transition allows you to take advantage of the faster, energy efficient kitchen video system with greater upgradeability which enhances Windows 7 compatibility for the future. Posiflex greatly appreciates your support throughout this transition period. Posiflex will work closely with each of our partners to ensure your needs are met to best of the company's ability.

Do not hesitate contacting your Regional Sales Manager or Customer Service with any questions, concerns or availability inquiries.
