Re: Product End-of-Life notice – PP7000 Aura Printer, KS6315, and KS6115

Dear POSIFLEX USA Customer:

Posiflex USA announces discontinuation of the several products as of Oct 1, 2009. The part numbers included are:

PP7000S-104 Aura Thermal printer: Black, Serial cable and power supply
PP7000C-104 Aura Thermal printer: Black, Parallel cable and power supply
PP7000U-104 Aura Thermal printer: Black, USB cable and power supply

KS6315T8WEP-AT: 15" INTEL Celeron M 1.0GHz, 512MB SO-DIMM RAM, WEPOS
KS6315T8WXP-AT: 15" INTEL Celeron M 1.0GHz, 512MB SO-DIMM RAM, WIN XP

KS6115T4C4WCE-AT: 15", AMD LX700, 256MB SO-DIMM RAM, 256MB CF, WIN CE
KS6115T8CBWEP-AT: 15", AMD LX700, 512MB SO-DIMM RAM, 2GB CF, WEPOS

Orders will be accepted for these part numbers while supply lasts. Only a limited stock is available. Customers with active warranty or service contracts will continue to receive service from PosiflexUSA. Support and part replacement will be available until Oct 1, 2012.

The replacement model for the printer will be higher performance (220mm/sec. print speed), streamlined lightweight design capable of working in harsh environments with optional top cover for dust and splash resistance.

PP8000S10410UD 3-in-1 Aura Thermal printer: Black, Serial cable and power supply
PP8000C10410UD 3-in-1 Aura Thermal printer: Black, Parallel cable and power supply
