POSIFLEX Corporate name change

Hayward, CA: Effective on January 1st, 2004, The Mustek Corporation based in Taiwan and headquarters of POSIFLEX USA announced a corporate name change to POSIFLEX Incorporated. The change was made to better reflect the parent company's overall strategy to align itself with its worldwide subsidiaries. The name change will have no impact on how the company conducts business or how it will market its products. It's simply a way for the community to link the factory with the product and each of the offices.
