

Announcement

Rapid Exchange Service Program Enhancement

POSIFLEX has implemented an enhancement to the POSIFLEX Rapid Exchange Service Program to help our partners offer improved service quality and customer satisfaction.

Effective July 8th, 2005, POSIFLEX will add additional POS terminals and peripherals to the existing service plans, these include:

- JIVA 8015-AT and 8015-IR Terminals
- Hybrid POS HT4212 POS Terminal
- Cash Drawer (CR4210C)
- Thermal Receipt Print (PP7000)
- Rear Customer Display (PD302C)
- SD200 2-in-1 attachments with MSR/FP (SD2008002/ SD2008032)

Please feel free to contact your POSIFLEX Regional Sales Manager or Tekserve POS if you require additional information.
