

End of Life Notice

Posiflex Business Machines, Inc announces the End of Life of the MT4300 2GB Model.

Effective 10/01/2023 the MT4300 **2GB model only** will no longer be available for sale nor special order through our factory. Product availability will be based on “on hand” inventory at Posiflex or within our channel partners.

The following details have been outlined for your review and consideration:

Affected Model

All MT4300 tablets configured with 2GB of RAM **ONLY** are affected by this notice.

- *Please note that models configured with 4GB of RAM are not affected by this notice and remain available.*

Product Timeline

New Product on Market	Initial product offering to the market	February 2017
Phase Out Notice	Product offered while supplies last	10/01/2023

Replacement Options

Posiflex offers the MT4308 and MT4310 with 4 GB of RAM in a similar configuration. Contact your Sales Manager for assistance in selecting a replacement that best fits the customer’s needs

Technical Support and Replacement Parts

Technical support will remain available through 10/01/2026 via phone call or email via our website. Posiflex is committed to providing and offering spare parts for post warranty and/or self-repairs for three (3) years as of this official EOL notice. Parts may remain available beyond the three-year term, however, not guaranteed.

Product Accessories and/or Peripherals

Please note that corresponding peripherals and accessories for the MT4300 will be phased out according to product demand. Product will remain available until exhausted and/or are made available from the factory.

Warranty / Maintenance Services

Customers with active warranty or service contracts will continue to receive service from Posiflex until the item’s warranty end date or end of contract date expires. Warranty and/or maintenance contracts will not be extended beyond this EOL notice.

Posiflex greatly appreciates the support given to this product over its lifespan as well as to that given to the next generation of reliable and quality driven products.

Do not hesitate to contact your Regional Sales Manager or Customer Service with any questions, concerns, or availability inquiries.
